Library

We are reading our 7th Chickadee book, *Lion Lights: My Invention That Made Peace with Lions*. The kids got to see a world map and we flew, in our minds, to Africa. Then they got to see a map of Africa and where our story takes place, Kenya. The book is by a member of the Maasai tribe and they were introduced to life in a village through the eyes of a Maasai child. We read the book and then got to either make a lion bookmark or a lion paper plate face. Three more Chickadee books are left, and then they will get to vote on their favorite at the end of March!
